

## **GOD'S ONE WORD FOR AMERICA: DISRUPTION**

On Feb. 22, 2015 I was in a prayer meeting just prior to preaching a message called THE CASE FOR PREPARATION. As I prayed, God beamed a ray of truth into my Spirit. I didn't hear God's voice, but He communicated with me, nonetheless.

He gave me a WORD for AMERICA. This one WORD is DISRUPTION. God let me know that very soon disruption will begin in our supply chain, food, energy, money supply, elections, and other areas. Then He let me know that this word DISRUPTION is a lot better than the word DESTRUCTION.

Rather than sending DESTRUCTION upon America, God is allowing a time of DISRUPTION that will, hopefully, get the attention of a lot of people.

He let me know very clearly that we are to PREPARE as best we can—and that involves physical preparation. Then we are to use the various disruptions as opportunities to win souls.

\*\*\*\* A free sermon called THE CASE FOR PREPARATION is our Feb. 2015 Sermon of the Month. Hear it or print off the notes at this web site.

\*\*\*\* One last thing. God made it clear that we are not to give Him disrupted obedience, disrupted prayer, disrupted holiness and the like.
